Greetings!

First Christian Church is a registered historical-landmark, Christian church in Fallbrook, and a 501c(3) non-profit organization. Part of our mission is to serve our local community. As such, we are excited and privileged to provide a host location for Fallbrook homeschool programs. Each week over a hundred students congregate on our campus to attend history, literature, geography, science, and other classes taught by credentialed teachers; they also gather for creative and engaging book clubs, and assemble for cooperative learning STEM projects. Additionally, we are happy to host parent gatherings and seminars which encourage and bless dedicated, hardworking parents.

While on our campus, students, parents and teachers utilize our playground, bathrooms, classrooms, kitchen, and fellowship hall. They traverse the hallways with enthusiasm and play on the playground with joy. We absolutely LOVE being able to serve so many children in meaningful and personal ways! So much activity at our church means that the grounds and amenities naturally require refurbishment, restoration and maintenance from time to time. Our small congregation can only provide so much for our weekly guests.

We would like to invite you to support our effort to bless children and families in our community with tax-charitable donations and contributions. All donations are completely tax-deductible.

Here is a list of our current project hopes:

Playground Update & Landscaping

- Playground swings rehabilitation and stabilization
- Playground mulch and landscaping edging
- Water-wise Landscaping around the playground and parking Lot
- Tree Trimming services around playground
-

Classroom Ceiling Repairs & Finishing

- Painting and rehabilitating a large, well-used classroom
- Repairing and refinishing an old plasterboard ceiling
- Adding Bulletin Boards, storage cabinets/shelves and whiteboards to classrooms

Shade Awning or Canopy

- Classroom entryway shade for cooling the room and rain protection,

Lighting Upgrades in Hallways

- Upgrading and expanding lighting in hallways for safer student travel, especially during winter months

We hope that you will partner with us to serve local children and families.

We would be honored if you'd support us as we serve local families and children.

You can **give a tax-charitable donation** through this link: <https://fccfallbrook.tv/give> Please include a note specifying **FOR CAMPUS UPGRADES**
