BAPTIST CHURCH

Greetings!

*Emmanuel Baptist Church* is a Christian church in Fallbrook, and a 501c(3) non-profit organization. Part of our mission is to serve our local community. As such, we are excited and privileged to provide a host location for a welcoming and balanced local homeschool program: *All Good Things Christian Homeschool Community*. Each week over a hundred students congregate on our campus to attend history, literature, geography, science, arts, theater, music, writing, handicrafts and other classes taught by credentialed teachers and trained/experienced artisans; they also gather for creative and engaging book clubs, and assemble for cooperative learning STEM projects. Additionally, we are happy to host parent gatherings and seminars which encourage and bless dedicated, hardworking parents.

While on our campus, students, parents and teachers utilize our playground, bathrooms, classrooms, kitchen, and fellowship hall. They traverse the hallways with enthusiasm and play on the playground with joy. We absolutely LOVE being able to serve so many children in meaningful and personal ways! So much activity at our church means that the grounds and amenities naturally require refurbishment, restoration and maintenance from time to time. Our small congregation can only provide so much for our weekly guests.

**We would like to invite you to support our effort to bless children and families in our community with tax-charitable donations and contributions. All donations are completely tax-deductible.**

Here is a list of our current project hopes:

#### Air-conditioning classrooms

- Adding a 5-ton central a/c unit and thermostat for the classrooms and hallway,

#### Classroom Refreshment and Flooring Repairs

- Painting and rehabilitating four classrooms,
- Completing an unfished flooring project and updating the other classroom floors,
- Updating switches and outlets,
- Adding, repairing or updating window coverings, as needed,
- Adding Bulletin Boards, storage cabinets/shelves and whiteboards to classrooms,
- Adding classroom tables and a teacher's desk and cabinet,

#### Updating and Repairing Student Bathrooms

- Painting the bathrooms,
- Adding a window to the boys' bathroom,
- Repairing toilets, a urinal, faucets and sinks,
- Restoring a wash closet,
- Rehabilitating a preschool bathroom for toddlers,
- Replacing exhaust fans in student bathrooms,

#### Installing an Outdoor Full Size, in ground Basketball Hoop

- Installing in-ground anchor
- Installing hoop pole and footing
- Assembling pole, hoop & backstop
- Providing basketballs

#### Perimeter Safety Fence

- Installing a perimeter chain link fence on open side of property as a safety precaution, and prevention measure

- Add two walk through gates for controlled access

#### Playground Upgrades

- Playground assembling,
- Tree trimming,
- Playground mulch,
- Play yard irrigation,

#### Lighting Upgrades

- Transitioning to energy efficient lighting in classrooms and hallways,
- Upgrading and expanding lighting in hallways for safer student travel, especially during winter months,
- Increasing amount of lighting to facilitate classroom learning.

*We hope that you will partner with us to serve local children and families.*
